Scholarships for Seniors

PFCU is proud to be giving away a \$1,000 scholarship, which is open to any area high school senior living within our field of membership. To register, the student simply needs to bring in his/her report card. Each "A" earned allows him/or a separate drawing to win the scholarship. The more "A"s earned, the better the odds of winning!

Additionally, the Credit Union Association of the Dakotas will be awarding ten \$500 scholarships and the Credit Unions United Chapter of Minot will be awarding five \$300 scholarships.

Information on all three of these scholarship opportunities are available at www.prairiefcu.com. If you have any further questions, please feel free to call Prairie Federal Credit Union.

What about an IRA?

As we get closer to tax season, have you considered an IRA? What distinguishes IRAs from other accounts is that you may be allowed to take a tax deduction for some contributions made to the account.

For more information, give Kaydee Pederson a call at 701-837-5304.

As always, if you ever have questions about your finances, setting up your virtual branch, or any of our services, please feel free to give us a call!

5 reasons to use Virtual Branch

1. Convenience

Honestly, who wants to wait in line to check their account balance? Online banking is perfect for those who want 24/7 access to their funds and other bank-related services.

2. Easy to Monitor

Virtual Branch allows you to monitor your account balance and pending transactions in real time.

3. Bill Pay

Bills are a necessary evil no one enjoys, but the ability to pay them online takes a bit of the sting out of the process. Setting up online Bill Pay will help you avoid late fees, no stamps necessary. You can even have your statement sent to you electronically and save a couple more trees!

4. Direct Deposit

Arrange to directly deposit your paycheck, your social security, or any payments you're receiving. You'll have immediate access to your funds and won't have to make the trip to the Credit Union.

5. Get the App

Now you don't even have to be sitting at your computer to check your balance, transfer funds, or deposit checks. You can do it all on your Prairie Federal Credit Union app. Search Prairie Federal Credit Union in the App Store and download today!
